Drone game – 2 player

Why play?

- Take break from studies

- Game industry is big !

- Stress buster

- Pilots fly planes – for the rest of us – we have drones

Limitations of other apps

- Bunch of apps for android/ iphone
  - Paid
  - Full of advertisements
- Phone screen size is limited

Create your own in just 2 days! :)

- Uses python at its core
- Dronekit and pygame tootkits
- Joystick controls/ modes
  - Left
  - Right
  - Straight
  - Booster

Its a race! Have fun flying!
